AIRBUS EP3D

Intranet

The screenshot displays the Airbus EP3D Intranet interface. At the top, the Airbus logo and 'Employee Portal' text are on the left, while user information for John LANCASTER, a message icon with 17 notifications, and links for Help and Log out are on the right. A search bar is also present. Below the header is a navigation bar with 'Switch Division', a home icon, and dropdown menus for SERVICES, PEOPLE, and COMPANY. A 'My DASHBOARD' button is highlighted in yellow.

The main content area features a large banner for the 'First flight for Neo' with an image of an Airbus A320neo. To the right of the banner are links: 'Meet the crew', 'First flight for Neo', 'A380 Roll-out with new design', and 'The natural next step'. Further right, a 'MY STOCK' section shows 'Airbus Group' at 56.52 € with a +0.48% increase. Below this are tiles for 'STRAIGHT TO FABRICE', 'ESOP' (Employee Share Ownership Plan, 3 March - 22 March, 2015), 'Ideas management', and 'Awards for Excellence 2015' with a 'Submit your project' link.

At the bottom, there are three feed sections: 'GROUP' with a post 'Build your own cockpit' (SMART PROTOTYPING - Build your own cockpit, 04 MAR 2015, 52 likes, 27 comments), 'AIRBUS' with a post 'Father of flight' (AVIATION PIONEER - Father of flight, 04 MAR 2015, 52 likes, 27 comments), and 'GLOBAL FEED' with a post 'What are you working on?' (Who will see my message?, Ask a question / Share your insights with your community).
